Dear Families:

It's hard to believe summer is almost over and a new school year is right around the corner!

As you may be aware, Lauren Heikkinen has left Maine to go to graduate school in North Carolina. We are all very sad to lose her, but also very excited for her future and her new adventure!

At this time, we are thrilled to introduce all of you to Jenny Woodruff, PhD. Jenny will be coordinating the Aucocisco Learning Center and providing direct instruction to many of your children. Please join us in welcoming her on board.

We look forward to having your children join us for the fall session. Aucocisco Learning Center classes will begin on Tuesday, September 6. Please see the other side of this letter for our fall schedule, and then return the form to secure your chosen dates and times for the fall. Jenny will be in touch during the week next week to say hello and confirm your choices.

If you wish, you may e-mail your preferences to:
