

### **Aucocisco School offers:**

- Individualized education for boys and girls of school age with average to gifted intellectual potential;
- Strengths-based philosophy provided within a flexible, child-centered nurturing environment;
- Low student-to-teacher ratio; small classes guarantee individual attention for every student;
- Technology integration across the curriculum involves computer applications and interactive whiteboards for 21st-century instruction;
- Interest-based clubs and activities include art, photography and film making, cooking, outdoor sports, music appreciation, computer graphics, yoga, and other exploratory experiences
- BACKSTAGE social skill-building program;
- Full-time and part-time day school placements, as well as summer and after-school programs at the Learning Center.

# Aucocisco School Summer Programs 2011

**Learning Center** programs are for students of all ages who wish to improve their academic skills.

- Reading speed and comprehension, writing, mathematics & study skills
- SAT/ACT test preparation and selection (individual & class)
- Accredited summer make up classes and credit recovery

**Academic Intensive** classes are for elementary, middle, and high school students whose academic skills are at least one year behind their grade placement. They receive intensive instruction in reading, writing, and mathematics.

**Backstage** is a social skill building program for ages 8 to young adults.

- Using theater games, creative projects, and media to understand social thinking, emotions, and humor
- Opportunities to practice new strategies in various social, artistic, and enrichment settings
